

## **EMBASSY OF GOD MINISTRIES**

### **SPIRIT IN MOTION CODE OF CONDUCT:**

#### **Why code of conduct**

**Matt 11: 1**, Jesus gave instructions to his disciples and so as worshippers we must follow instructions.

The worship ministry is a call to serve both God and people. In the old testament, musicians were appointed from the Levites who were set apart to serve the Lord (1 chronicle 15:16). Worship leaders are accountable to God and also to church members and those who receive the worship ministry.

Therefore, this code of conduct is intended to guide the behavior of the worship ministry. It is made to assist leaders to serve in such a manner that it will cause our church and ministry to be a blessing for all; a place where integrity is honored, accountability is exhibited, love is displayed, and the beauty of a worship ministry can be experienced and participated by everyone attending our services across the world.

#### **Commitment;**

The worship team must be committed to their continued personal growth and church life. As a result, worshipers shall support the church as a whole through regular participation in cell group, attendance at services, whether on roster or not, tithes and offerings and church membership which is strongly encouraged. Our ministry should wipe away tears from the hearts of mankind.

1. Foundation school; All worshippers must go through foundation school as a requirement setup by the ministry, qualifying one to be a member of the church before they are released to minister on stage.
2. All worshippers must go through discipleship classes
3. All worshippers must go through auditions as a requirement to access ones' interest and calling as a worshipper

4. All worshippers must be fully registered by filling in the GT registration form and be ready to abide by the set code of conduct without compromise.
5. All worshippers must belong to a cell and must have a recommendation from the cell leaders
6. All worshippers must uphold **proshel**, our seven pillars as worshippers i. e **prayer, respect, obedience, submission, humility, excellence and love.**
7. All new entrants to the team must undergo a probation period of three months, during which one is expected to attend all training sessions, and acquire all sets of uniforms
8. All meeting/practice sessions are compulsory for all worshippers i.e Monday, Thursday and Saturdays.  
-Only worshippers who attended training should minister. Those absent with genuine apology will minister upon directives from the music leader or papa and mama.
9. All lead singers must submit their song lists to the music leader two or one day before training. The music leader will then submit to the senior pastor for approval.
10. Dress code during services (1 Tim 2:9)
  - All worshippers must dress decently smart with or without uniform to enhance the level of excellence setup by man and woman of God.
  - Proper uniforms should be worn by all worshippers on or not on stage
11. Stage management: All unnecessary movements, talks, comments, whispers, signals should be avoided while on stage during ministrations
12. Maximum respect, attention to instructions must be exhibited.
13. All services are compulsory for all worshippers. Apology should be clearly stated and directed to the music leader not on the team page.
14. All members absent must communicate to the music leader and in case one will be away for more than a week, he/she must put in writing.

**The implementation of the code of conduct;**

Should there be any conflict, members may speak with the worship team leader or in case where it is a conflict between the leader and the member, the member may bring it the matter to the Senior Pastor for determination.

I..... having read and understood the above code of conduct with an excellent mind do pledge that I will uphold and adhere to it a worshipper by the power of the Holy Ghost. Amen.
